ANTIOCH, ILLINOIS, THURSDAY, JULY 28, 1966

VOL. LXXXI. NUMBER 5

Ends 17 Years As Fire Chief

Antioch firemen and a host of friends joined in honoring Edgar Simonsen for his years as Chief of the Fire Department last week.

The surprise party was held at the Antioch pool. Edgar was presented with an Accutron watch.

Edgar stepped out of his position as chief of the Antioch Fire Department May 1 because of a heart attack. He's honorary Fire Chief now, with Charles Mapletorpe, taking over the duties of Chief.

Edgar still goes to the station when the siren blows, and still lends his knowledge and years of experience to the department. But he doesn't climb on the truck and join in the fire-fighting.

He did join in fighting the big fire that destroyed the A&P Store last spring, not long after he returned from the hospital after his heart attack. This being a small town, he ran into his doctor at the scene, and received some positive orders about "going home and getting to bed."

It's not surprising that Edgar finds it hard not to answer the siren—he's been a fireman for 35 years, and Chief for 17 years. He joined the department in 1931, when Jim Stearns was chief. He's served as engineer, lieutenant, assistant chief, then chief. Edgar was assistant chief at the time Jim McMillen was chief.

Edgar has no idea how many fires he's fought, but he thinks he's probably answered more calls than anyone else in the village, because of his availability.

Just fighting fires is only a part of Edgar's service to the department and the community. He's spent a good deal of time learning the latest methods of fighting fires, and used his time and ingenuity to improve the department and its equipment.

The familiar fire jeep that has been such a help to firemen in fighting grass fires was devised by Edgar. When he had the idea of outfitting the jeep for use at fires, he talked it over with Murrill Cunningham. With Cunningham's help, he got permission of the village board to buy a used jeep for experimentation.

Then he had to figure out how to mount a tank, hose reel and hose on the jeep. He licked those problems, and

Chicken Festival At Holy Family Convent

The Benedictine Sisters of Holy Family Convent at Benet Lake, north of Antioch, have announced the date of their third annual Chicken Dinner Festival. The Festival will be held Sunday, August 21, at the convent.

The Sisters hold the Festival each year to supply funds for their Convent Building fund.

A chicken dinner will be served and there will be pony rides, games, an auction, booths and refreshments throughout the day.

The Benedictine Sisters Chicken Dinners have been so successful each year that they have been able to make a good start toward maintaining and improving the convent.

Beauty Queens, Bar-B-Q & Bands At Summer Festival

Beauty Queens, a chicken barbecue, and a marching Drum and Bagpipe Band are some of the highlights of the Summer Festival scheduled for August 7.

The Jaycees Beauty Contest includes twenty lovelies from the Lakes area. The

Queen will be crowned Sunday, August 7, at the park area near the Antioch Pool. The Lions Club will be serving Chicken Bar-B-Q dinners all afternoon. Just watching the Lions members manipulate the huge grills where the chickens roast is

a fascinating pastime. The Chicago Stock Yards Kitty Band will add a filip to the day, as they march and maneuver, with bagpipes strutting and drums beating. The Kitty Band is famous across the nation and has appeared in 46 states.

The Beauty Queens, the judges and sponsors will attend a dinner at Angels Restaurant at 2:00 p.m. Sunday, July 31. Next appearance will be the Pageant at Antioch High School August 6. The girls will appear in bathing suits and formals, and each will perform her talent act.

At the close of the evening, five semi-finalists will be selected for the final judging the next day. Judges of the contest will be Allen Vargo, assistant production manager of Playboy Magazine; Ron Weise, Entertainment Editor of Variety Magazine; Joseph Hunley, radio announcer with WMCW, Harvard, Ill. (Joe is a member of the PM & L Theatre group); and Mrs. James McMillen, well-known for her displays and lectures on historical matters.

Latest entries for the title of Miss Lake Region Jaycees are Diane Mlodzinski, Chris Davis, Carol Ann Silianoff, and Judy Lake.

Diane Mlodzinski, Rt. 1, Box 105, Spring Grove, is 17 years old. She's 5'6" inches tall and weighs 130 pounds. She attends Grant High School. Her hobbies are horseback riding and swimming and her pageant talent will be singing. She's sponsored by Johnson's Resort.

Chris Davis, 212 N. Hazelwood, Lindenhurst, is 18 years old. She's 5'4" tall and weighs 124 pounds. She graduated from Antioch High School in 1966. She's sponsored by V&S Hardware.

Carol Ann Silianoff, Rt. 4, Box 153, Antioch, is 16 years old. She's 5'6 1/2" tall and weighs 123 pounds. She attends Antioch High School. Her hobbies are sewing, skiing and bowling. She'll play the organ for her talent act. She's sponsored by the Shoe Box.

Judy Lake, Grant Township is 18 years old. She's 5'4" tall and weighs 130 pounds. She graduated from Grant High School in 1966. Her hobbies are singing, ice skating, sewing and playing the organ. Her pageant talent will be singing. She's sponsored by the Fox Lake Bank.

Other contestants in the contest are Ruth Dyer, Kathy Strahan, Sheila Fraser, Anita Hawkins, Sally Mimick, Candy Bentel, Janice Prather, Chris Ipsen, Kathy Dobslaf, Dorothy Sarkerback, Pamela Hagstrom, Mary Lee Rockow and Dyana Cody.

Attends Funeral Of Mother

Mrs. John Stillson, the mother of Melvin M. Stillson, Antioch, died at her home in Madison, South Dakota, last week. Funeral services for Mrs. Stillson were held Monday, July 25.

Mr. Stillson flew to South Dakota for his mother's funeral services. His daughter and husband, Mr. and Mrs. Michael Hauser, and his son and grandson, Melvin and Melvin Bernard, of DeKalb, also attended the services. She is also survived by a daughter, Mrs. Labounty of Newaygo, Michigan.

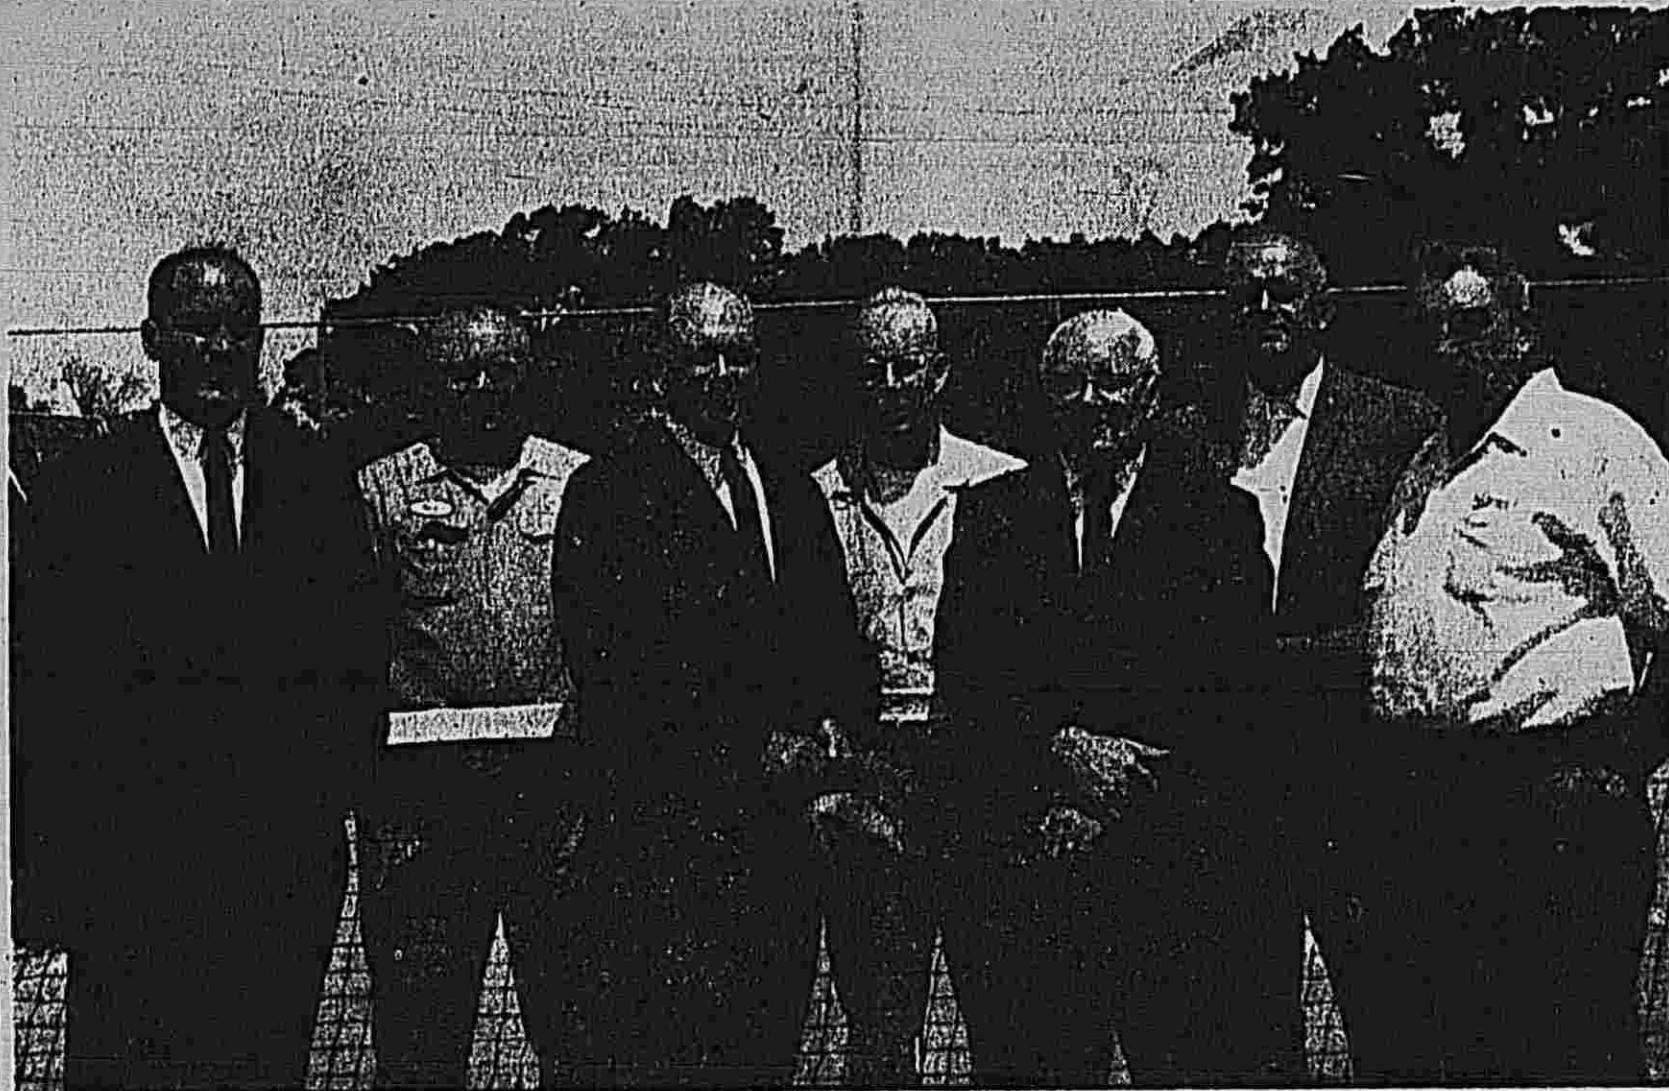

Mrs. Stillson was 95 1/2 years old at the time of her death. Mrs. Melvin Stillson and Mr. and Mrs. Michael Hauser had just returned from a visit with Mrs. Stillson.

Mrs. Melvin Stillson's mother, Mrs. Clara Benser, died May 24.

Ticket Drivers

Thirteen tickets were issued by Antioch police Saturday to Antioch residents who have not purchased a village vehicle sticker.

The Antioch police were stopping cars at busy intersections Saturday checking for the vehicle stickers, which were to have been purchased January 1.

The efforts of all these men contributed to the building of Antioch's first tennis court at the village park. Left to right, Fred Walpole, Antioch Savings & Loan; Ray Toff, mayor; Bill Brook, State Bank; Edgar Simonsen, Superintendent of Public Works; Ed Vos, Antioch Lumber & Coal; Dr. Charles Solar, and Ed Fredericks, Liberty Asphalt.

Village Tennis Court Opens

Through the cooperation of a variety of Antioch individuals and businesses, the village park now boasts a tennis court.

The new court is adjacent to the Antioch pool. It's open to everyone, free, and Edgar Simonsen and Dr. Charles Solar report that it's kept busy most of the time.

"Doc" Solar has been promoting the project for some time. He's acted as sort of a gadfly, to stir activity on the project whenever it lapsed.

Solar is an advocate of tennis. It should be made part of the school's athletic programs, he believes. "Frankly, I'd like to see the school build some courts, and maybe we could build up a good tennis team," he says. "Both boys and girls can participate, and it's good exercise, besides being fun."

The village board O.K.'d the use of village land for the court and furnished the fence and backstop. The Antioch Savings & Loan donated a net, and the State Bank of Antioch donated a net. Antioch Lumber donated planking for the backstop, and Cunningham Cartage donated equipment and labor.

Edgar Simonsen and some of the village employees worked on construction of the court. Liberty Asphalt surfaced the court. John Blackman installed the trenching. And Gibbs & Jensen procured the nets at cost.

So Antioch now has an excellent, free tennis court, thanks to the donations and efforts of several citizens.

Register Tots

Residents who are new in the district and the parents of kindergarten children are urged to register their children now at the Antioch Grade School office, Monday through Friday, from 9 a.m. to 3:30 p.m.

Birth certificates must be presented for the registration of all kindergarten and first-grade students. New residents must present transfer cards for all students in grades second through eighth.

The kindergarten fee will be \$7.50, payable when registering.

Board Appoints ACHS Treasurer

The Antioch High School Board appointed Mrs. Betty Wurster as school treasurer at the regular meeting of the board last Wednesday night.

Mrs. Wurster fills the vacancy created by the resignation of Mrs. Helen Nelson. David Cain had been appointed to fill the position temporarily. Mrs. Wurster's term will run from August 1, 1966 to June 30, 1968.

The board approved investment of \$410,000 of school funds in Treasury bills. Most of the bills will mature in 90 days, some will run until June of 1967. A large portion of the funds, \$270,000, was received in the recent tax disbursement; \$140,000 of the funds were re-invested.

The board accepted the low bid of West Insurance Co. of Waukegan of \$501 for a two-year bond on the school treasurer of \$400,000.

A letter from the Waukegan High School board was read offering vocational training to Antioch High School students on a tuition basis. Waukegan High School has several vocational courses not available in Antioch, such as auto mechanics. Antioch students could be entered in such courses, with the district paying tuition. The matter was turned over to a committee and counselors for study and a report.

The board accepted the low bid of Modern Living in the amount of \$204.15 to furnish venetian blinds for one classroom.

The board was informed by Supt. Albert Dittman that two positions which were apparently filled were still open. Melvin Glynn, who had been employed as counselor, had asked to be released from his contract. A position as secretary in the Student Personnel office was again open.

The board employed Larry Williams as Counselor. Mr. Williams has been Guidance Director at Alton High School for two years, has a Master's degree from Illinois State University and has

done some graduate work. Mrs. Phyllis Beatty, Lindenhurst, was employed as secretary.

The position of Girls Physical Education teacher still remains open.

A recent visitation at the school by George Mathis, Director of Safety Services Department of the office of the Superintendent of Public Instruction, was the subject of a comment in a letter received by the board. Mathis said: "We want to compliment the administration, board and staff for the adequate way in which they are meeting the traffic safety needs of the students."

Mathis also commented on the broad summer program of Driver Education, involving adults and non-public-school students as well as Antioch High students.

Superintendent Dittman said 120 students are in the summer Drivers Ed course this year. He hopes that program will grow so that fewer students will have to take time from academic studies during the school year to take the Drivers course.

The High School board approved a contract with the village to replace and repair sidewalks, with the school district and the village each assuming half the cost.

Robert Lindblad, chairman of the salary committee for non-teaching personnel, reported that salary increases would average 4 per cent. The raises go to custodians, secretaries, etc.

Confirming to their policy of employing local doctors as school physician in rotation, the board appointed Dr. Calvin Midgley as school doctor.

3 Violations, No License

The Driver's license of Ronald C. Burrell, Rt. 2, Box 212, Antioch, has been suspended following three violations, according to a report from the office of the Secretary of State.

Injured When Car Skids On Wet Road

Harold M. Wold, Rt. 1, Box 33, Antioch, was injured Tuesday night about 6:30 p.m. when his car skidded when he applied his brakes, hit an embankment and turned over.

Wold was headed east on Route 173 about 3 1/2 miles west of Antioch when the accident occurred. He told sheriff's deputies he came around a curve in the road, and saw that the car in front of him had applied the brakes. He stepped on his brakes, and his car skidded on the wet road and went out of control.

Wold was taken to a local doctor's office by the Antioch Rescue Squad.

To Demonstrate Fire Extinguishers

A demonstration of an automatic fire extinguishing system for restaurant hoods and ducts will be given at the village parking lot on Broadway at 2:30 p.m. Wednesday, August 3. Anyone interested is invited to attend.

The Fire Department points out that some establishments now uninsurable might find it possible to get insurance with this protection.

Chamber Looks For Info On Acreage

The Antioch Chamber of Commerce is looking for acreage available for light industry.

There have been several requests from industries in Antioch, President John Romer says. The Chamber would like anyone with acreage available to contact them at 383 Lake St., phone 395-3381, or write to P. O. Box 293, Antioch.

Fire Inspections

The Antioch Fire Department will be inspecting the premises of local merchants in the next few weeks for fire inspections.

"Fire inspection is for the benefit of all concerned, not harassment," said Chief Charles Mapletorpe. "We appreciate the cooperation of everyone."

Ken Smouse as Emile de Becque, Sydney Morton as Nellie Forbush, in "South Pacific", at the PM&L Theater this weekend.

"South Pacific" Draws Crowd

"South Pacific" was a "sell-out" on opening night last Saturday, and tickets are going fast for the final nights this weekend, Friday, Saturday and Sunday, July 29-30-31.

Sydney Morton of Kenosha, as Ensign Nellie Forbush, won the hearts of the audience with her lovely voice and buoyant, vivacious interpretation of the role made famous by Mary Martin. Acclaimed Ken Smouse lived the role of Emile de Becque, the French plantation owner, and the applause was tremendous after his rendition of "Some Enchanted Evening."

Dr. Al Bucar, as usual, came close to stealing the show, this time as Luther Billis. Bloody Mary (Charlotte Worswick) achieved a magic moment during her solo of "Bali-Hai". It was

everybody's favorite island as her lovely voice was supported by especially effective drum accompaniment by Randy Rich.

Lloyd Pedersen as Lt. Cable proves his acting ability with his portrayal of a young man with a dangerous mission. The poignant love affair between Cable and the lovely native girl, Liat (Nancy Seyfarth) is a story in itself. There are few towns the size of Antioch that have live theatre in the community. Members of the audience commented that they enjoy theatre in Antioch more than attending a professional performance in Chicago because they know the actors and enjoy seeing them in various roles.

Tickets to South Pacific at the PM&L Theatre on Main St., can be reserved by calling 395-3613.

Trial By The Press

The efforts of the Chicago police department to keep from releasing any publicity that might prejudice their case against the man accused of killing eight nurses has pointed out how badly we all needed to be shaken out of our complacency about pre-judging accused criminals.

Sensational crimes are naturally excellent material for newspapers, radio and TV. People want to know all the details. The newspaper or news commentator who doesn't supply them is going to be left out in the cold. The reporter who can come up with a "scoop" is certainly going to do so. That's his job.

Police departments have cooperated more and more in giving out the latest news to satisfy the public's hunger. Maybe the police official who states, "We're sure we have the right man," really thinks so, and gives good reasons for his belief. But there is always the possibility that he could be wrong. And our law is based on the belief that a man is innocent until proven guilty.

Cautious as they've tried to be, the Chicago police have slipped a couple of times in this case. Superintendent Wilson's TV announcement that the murderer of the eight nurses had been found was ill-advised. Excusable, in the face of the horror and fear the crime generated, but unfortunate. Richard Speck has not yet been tried and all the evidence submitted.

The minister who visited Speck in the hospital, faced with a microphone, said that Speck was "remorseful". He refused to elaborate on the statement, fortunately.

Perhaps newspapers and news commentators should consider a "Fair Practices" rule. Cover such news at the time of the trial; instead of the day after a crime, or the week after. Let the police and the lawyers do their work, and hold interviews and the statements from those concerned until the evidence has been submitted.

Let the courts try cases, not newspapers and commentators.

Take 'em Down

Candidates for political office, you may well be losing votes every day.

One of our readers called in to complain about campaign posters left on poles, trees and every other available spot. It's true, winners and losers alike leave the posters up until weather rips them off, or kids tear them down.

They usually end up, then, lying on the roadside, and eventually clean-up crews have to do the work that the candidate himself should have done. Or paid to have done.

Having had some rather startling statistics lately on what it costs the highway departments at various levels of government to clean up the litter left by the careless public, adding to that expense is hardly a recommendation for a man seeking public office. Approximately \$50 million, nation-wide, for this sort of clean-up job is one of the latest figures.

So, candidates, how about cleaning up your own mess and saving the taxpayers money?

Courthouse Notebook

BY LOU DURKIN

Probably no field of endeavor, with the possible exception of the direction of a professional sports team, develops, as many self-styled experts as the field of highway safety.

With so many people offering simple and complex panaceas for a curtailment of the gruesome highway slaughter it is surprising that traffic tolls continue to rise.

Recently we were discussing the subject with a highly regarded Lake County attorney whose solution for the rising toll on Lake County highways was exceptionally simple and had the added virtue of being exceptionally inexpensive.

This attorney's solution called for painting high visibility lines along the outside edge of all highways as well

as a high visibility stripe down the center of each highway.

This is a rather absurd suggestion, but it wasn't nearly as disturbing as the argument he gave to the suggestion that the elimination of the "fix" in traffic cases, as well as all law violations, would be the quickest means of cutting down on traffic deaths.

This barrister blandly insisted that elimination of the "fix" is impossible and further suggested that neither he nor anyone he knows would want to see all defendants treated alike before the bench.

It is admittedly naive to suggest a Utopia where "clout" does not pass beyond the portals of justice, but it is discouraging to find attor-

Your Congressman Reports....

By Cong. Robert McClary

Recent debates in the United States House of Representatives focused new attention on the conflict between the Executive Branch and the Congress over the fiscal business of the federal government. The Foreign Assistance Authorization Bill (H. R. 15750) provided the subject for these historic debates.

Although foreign aid has been provided heretofore on a year-by-year basis, the President recommended that the Congress now should make foreign aid commitments for a 5-year period, without any opportunity for succeeding congresses to reduce or revise such long-term authority.

Both Democratic and Republican members of the House Foreign Affairs Committee rebelled at this proposed 5-year surrender of authority to the Executive Branch.

In urging the long-term authorizations, Executive Branch witnesses contended that foreign aid could be administered more efficiently. These proponents also stated that great persuasion could be used with the developing nations if AID officials could refer to long-range congressional commitments.

Objections to the 5-year proposals were virtually unanimous in the United States House of Representatives. Several congressional leaders cited the constitutional responsibility of Congress to provide both revenue and appropriations. The Democratic members of the House Foreign Affairs Committee finally became reconciled to a 2-year foreign aid bill to which the Republican members (many of whom have supported the annual foreign aid measure in the past) took sharp exception.

The Republican minority emphasized that long-range planning within the department was important, but that annual review of allocations of foreign aid by the Congress was an essential legislative responsibility. They pointed out also that acceptable conduct on the part of foreign aid recipients is frequently encouraged with the argument that the Congress will annually review such behavior as a condition of continued foreign aid.

Other significant changes occurring in this year's foreign aid bill included: a prohibition of foreign aid payments to countries trading with North Vietnam; b) indemnification of companies whose property abroad is des-

troys by mobs; and c) encouragement of private overseas investment.

The more than \$4 billion authorization for each of the next two fiscal years should not mislead the American taxpayer. The foreign aid bill did not cover such expensive overseas operations as (1) the Peace Corps, (2) Food for Freedom, (3) maintenance of our military forces abroad, as well as expenditures by the World Bank and many other agencies which distribute American wealth around the world. It is estimated that the total of all these programs will exceed \$12 billion this year, and, of course, this is above and beyond the more than \$15 billion to be spent this year for civilian and military aid in Vietnam.

However, the key element in this year's foreign aid bill involves the departure from the one-year authorization. Congresswoman Frances P. Bolton of Ohio, the ranking Republican on the Foreign Affairs Committee, and several other Republicans summed up this point as follows:

"... the foreign aid program as a whole is so complex and the international situation changes so unpredictable that we feel it important, at this time, that there be an annual examination, by both the Foreign Affairs and Appropriations Committees."

Unfortunately, this sound advice was rejected by a margin of ONE VOTE.

forcement of traffic rules is the key to convincing the driver that his clout does not extend to the morgue, the hospital room, or the auto junk yard.

A person has to feel sorry for Atty. Lloyd Van Deusen, of Waukegan, a leading candidate for one of the Republican nominations for Associate Judge in the August 25 GOP judicial convention.

As attorney for the Waukegan Grade School board Van Deusen had to represent the board in the de facto segregation action brought by some Waukegan residents.

He went into the court action feeling the law was clear and that the school board was going to be directed to redraft the school boundaries to insure a semblance of racial balance in the five schools mentioned in the suit.

Judge Charles Parker, of McHenry, directed the school board to take action despite Van Deusen's best efforts and he is reaping a harvest of ill-will among Waukegan residents.

ALONG THE WAY with Annie Mae

Curtain Time

I know there are critics and then there are critics, but the comments I overheard at the play "South Pacific" last weekend were "great", "terrific", "stupendous", "really that voice", etc., etc. The cast and crew of this play can really pat themselves on the back. Don't forget if you missed it, last weekend you can still catch it either this Fri., Sat., or Sunday at 8:30 sharp.

Another Vacancy

Work is progressing rapidly on the new home of Lyons and Ryan on at 173. Wonder what business will be filling their shoes?

Roughing It

At home after a two week stay in Northern Wisconsin are George and Willie Schmidt and Rog and Jeanine Andrews. I understand those sleeping bags were a blessing on a couple of those cold nights.

Congratulations

To Margaret DeMarco and Sally Nihil, on their recent election of officers in the Lake County Secretaries Association.

Judges' Problem...

Not Mine

With all the lovelies in the Miss Lake Region Jaycees' contest, it certainly presents a problem for the judges. I think more credit should be given to the Jaycees for their time and effort they put forth in all their civic activities helping to make this a more pleasant community.

I like the sun, but the prospect of sunlight twenty-four hours a day appals me. No more star-gazing? No more moon shining on the water? What happens to bats, and owls, and lovers? Who wants to go to a dance in bright sunlight? What happens to all the Scout campfire sings, and Campfire Girls, and Halloween, and Christmas Eve? How are you going to tell children that Santa's coming, when there is no night sky for him to soar through?

With no night hours, I suppose the whole world could go on shifts. Schools, factories, stores, offices could operate around the clock, while half the population slept and the other half worked. And we'd have so much of the population in the nutty house that the rest would have to work 24 hours a day to support them.

It would be kind of nice for the police, of course. Without the hours of darkness, crime would be much easier to combat. And it might shorten the winters, with the sun shining all day. All in all, I think it's a lousy idea. I hope Commonwealth Edison mounts an immediate campaign to stop this kind of fooling around. They're going to lose an awful lot of money if no one needs light any more.

LUCKY WINNER: June Bentel was the lucky winner of \$500 in the A&P's newest game. "We're going to blow it on a vacation," says her hubby. Have fun.

The Lakes Area moved right into town last Tuesday, when a downpour broke the heat wave. Victoria street had about eight inches of water standing in the road. Made a delightful wading pool for the kids.

As attorney for the Waukegan Grade School board Van Deusen had to represent the board in the de facto segregation action brought by some Waukegan residents.

He went into the court action feeling the law was clear and that the school board was going to be directed to redraft the school boundaries to insure a semblance of racial balance in the five schools mentioned in the suit.

Judge Charles Parker, of McHenry, directed the school board to take action despite Van Deusen's best efforts and he is reaping a harvest of ill-will among Waukegan residents.

It wouldn't be surprising if GOP committeemen decided he was a "hot potato" and overlooked him in the balloting.

There are other attorneys among the candidates, of course, who have been involved in emotionally charged litigation, but they have been more fortunate in their timing.

Fair Time—Take the Kiddies
Don't miss the annual Lake County Fair, starts this Wednesday thru Sunday. There will be some interesting events on all the time.

Along the Way, ANNIE MAE

By Pearl Kapell

The government is really going too far, now.

Taxes we can stand; regimentation we can stand; even listening to political speeches can be bearable; but when they start using our own money to investigate ways to deprive us of our inherent rights as human beings, that's too much.

A small news item reveals that the government has presented two corporations with grants of \$125,000, to look into ways of making the sun shine at night. Now, I ask you, even for a nation that's spending billions to find a way to get to the moon, isn't this going too far?

I like the sun, but the prospect of sunlight twenty-four hours a day appals me. No more star-gazing? No more moon shining on the water? What happens to bats, and owls, and lovers? Who wants to go to a dance in bright sunlight? What happens to all the Scout campfire sings, and Campfire Girls, and Halloween, and Christmas Eve? Letters to the Editor
Antioch News
Antioch, Illinois

We have been exploited by the Federal bureaucracy to the point where my family now uses 15c a pound oleo margarine. We're getting restless. We drink 30c a gallon powdered milk. We're getting restless. We are not provided sprinklers on top of fire hydrants nor do we have a public swimming pool. It's hot, we're getting restless. Our children are being deprived of their culture by not being able to afford the theatre or opera. They're getting restless. We have only a 19 inch black and white TV, we want a colored set. We're getting restless. I'm using a 30 year old plus typewriter, I want an electric one. I'm getting restless. We can't afford the plus motels for vacations. We have to camp. We can't afford to keep our dog in a kennel, she has to camp with us. She's getting restless. We don't have birth control clinics. My husband is getting restless. Now I have to go weed the bean patch. I'm getting restless. Pass the poverty please! Sally Martens Grayslake, Illinois

Green Bay Road Has Most Deaths

The Lake County Safety Commission reports that thirteen people have died in auto accidents on Green Bay Road in Lake County this year, as of July 20.

During the same period, there have been no fatalities on the much heavier traveled Route 41, Sheridan Road, Route 12 and Route 63 have each claimed six lives.

Thirty-one of the fifty-seven fatalities have occurred in incorporated areas, with North Chicago accounting for twelve deaths, Mun-

delain, six, and Waukegan, four.

Night-time accidents between nine and six have accounted for 34 of the 57 deaths.

The Safety Commission advises: Devote 100% of your attention to driving; obey all traffic laws; don't drink and drive; drive as if every other driver is a stark raving maniac; use your safety belt at all times.

When entering an unmarked intersection, always look first to the left and then to the right before proceeding through.

Ray Baethke

Promoted To Lieut. Col.

Word was recently received by Mr. and Mrs. Walter Baethke that their son, Raymond Baethke, was promoted to Lieutenant Colonel in the Air Force Reserve.

Raymond Baethke was an Antioch resident from 1924 until last year. He operated a grocery store on Main St. until shortly before moving to Phoenix, Arizona.

Lieut. Col. Baethke has

Ends 17 Years...

(Continued from page 1)

Fire fighting has changed much over the years, and it takes constant study to keep up with latest methods, Edgar says. There's much more to fighting fires than the bystander realizes. New chemicals are constantly being developed to combat special problems. "Wet water" a solution added to water to improve its wetting qualities, is one. Foam making equipment, excellent for gasoline fires, and fog nozzles, a fine spray that helps to protect the fireman at the hose, besides being more efficient, are some of the innovations. "A volunteer fire department has an advantage over a department of paid, regular firemen," Edgar says. "The men are skilled in a variety of trades that help in both maintenance and fire fighting, or other disasters. We choose candidates with an eye to their special skills. Maybe one's used to running an earth mover, one's a mechanic. There are a lot of trades that help."

"I've found we can cope with a lot of emergencies because of this," Edgar said. "When a lot of trees were blown down in a bad wind, seventeen men volunteered to help. I found they don't need special training for disasters—just someone to direct them."

There were 25 firemen in 1931 when Edgar joined the department. Now there are 42 on the rolls. The Fire District, an organization which covers the area outside the village, was created in 1932. Original trustees of the Fire District were Clarence Crowley, George White and Harold Minto. The District pays an hourly wage to the firemen when on a call, and pays the village a certain amount each year for manning and housing the equipment. Clarence Crowley later became president of the District, Irving Elms, secretary-treasurer and Russell

Legionnaires Entertain Hospital Patients

Veterans from the Antioch American Legion Post No. 748 went to the U. S. Naval Hospital at Great Lakes in June with all the "fixin's" for a party to entertain sick and wounded men in the Naval Hospital.

The Antioch Legion Post recently received a letter of thanks from Miss Carolyn Norton, the Hospital's Field Director, and Edna R. Schweitzer, recreation supervisor, in appreciation of the pleasure they had brought to the patients.

Three transistor radios

Lasco is trustee. Among other duties, the fire chief arranges for inspections of all public buildings, stores and industries to make sure they comply with the Fire laws; coordinates the activities of the department, and arranges for practice sessions.

Edgar was born in Antioch, the son of Simon and Maren Simonsen, in a home near the Emmons school. He attended Emmons School. His parents moved to the Hills farm, then, in 1921, to Orchard St. Edgar then attended Antioch Grade School.

In 1937, he married Lucille Hanke and lives on Victoria Street.

As Superintendent of Public Works and Fire Chief, Edgar has devoted innumerable hours to projects for improving Antioch as a community. He's saved the village a lot of money, with his mechanical ability and ingenuity. He continues as Public Works Superintendent.

The Fire Department celebrated its Fiftieth anniversary under his leadership and if a heart attack hadn't slowed him down, Edgar probably would have aimed for fifty years in the department himself.

Breaks Wrist In Fall

Mrs. Louis Horton was taken to Victory Memorial Hospital last Wednesday when she fell at home and broken two bones in her wrist. She is now convalescing at her home at 639 Drom Court, Antioch.

were given to the men who were winners of games, and refreshments were served. Many of the men were wounded in Viet Nam.

Picks Up Man Charged With Rape

An alleged rape was disclosed when Corporal Jack Wells arrested a young man for a traffic violation on Route 173 at Channel Lake.

Cpl. Wells said he was driving east on Route 173 at 11:15 p.m. Saturday, July 23, when a car headed west, in the east bound lane, approached him at a high rate of speed. The motorist was passing another car. He was near Chase's Service Station at the time. Wells put on his red light, spotlight and siren, turned around and pursued the car for about three-quarters mile when the driver turned off his lights and pulled into the driveway of Wells' home.

Wells pulled into the driveway after him, and leaving his car, approached the young man, who was accompanied by a girl, and told him he was going to charge him with improper passing, and asked him for his driver's license. The young man produced another arrest ticket, identification and insurance papers. Wells told the young man to drive his car to the Antioch police station, with Wells following him in the police car to make bond.

The papers he had produced established his identity as William Henson, 3333 11th St., Rockford, Ill.

At this point, Wells said, Henson stepped from his car and ran. Wells then questioned his companion as to why the young man would try to escape from a traffic charge.

The 17-year-old girl then told Wells that Henson had raped her forcibly, and showed him the torn and disarrayed condition of her clothing. She had said nothing sooner, she said, because she intended to tell her father when she got home.

The girl drove the car to the Antioch police station, with Wells following. Cpl. Wells said he put out an alert

Entertain Soldiers At Fort Campbell

Two local musicians made the trip to Fort Campbell, Kentucky, last weekend to entertain soldiers stationed there.

Hank Kubicki and Roy Miller, members of the Rhythm Kings, accompanied the Viet-Na-Mom troupe to Fort Campbell. They played five appearances Saturday and Sunday, returning home Sunday night.

The group left Waukegan Friday night by bus and arrived at Fort Campbell about 3 a.m. Saturday. President Lyndon Johnson visited the camp during the weekend but the boys didn't get to see him.

that a man wanted for a traffic violation and eluding an officer was on foot in the Channel Lake area. The alert was sent to Boone, Lake and McHenry County police in addition to State Police.

Antioch Police Chief Jack Heick, operating a cab at the time, was flagged down by Henson a short time later. The police radio came on shortly after Henson entered the cab, and he asked Heick why he had a police radio in the cab. Heick told him he was police chief of Antioch, and the young man jumped from the car and tried to escape. He was brought to the Antioch station by Heick, and charged by Wells with the traffic violation and attempting to elude an officer. He was not questioned on the rape charge, Wells said.

The girl's father later came to the station and signed a complaint charging Henson with rape, and he was transferred to the Lake County jail. A formal complaint was signed by her parents Monday, and bond for Henson set at \$20,000 on the rape charge.

The girl was examined by an Antioch doctor, and reportedly is now in the hospital. She said she thought the rape occurred in Dunes State Park, but she was unfamiliar with the area and was not sure.

Don't pass on hills or curves.

Fires Quickly Controlled By A.F.D.

The Antioch Fire Department has been plagued with several calls for minor fires in cars recently.

The department was called to Fox River Springs about 8:05 p.m. July 26 to extinguish a fire which apparently originated in the ignition system of a car. Little damage was done to the car.

Car fires July 23, July 19 in Felter's Subdivision, and on July 13 at the Lake View Resort also did little damage.

A false alarm at 6:15 p.m. Tuesday, July 26, took the department to the Illinois Bell Telephone Co. A small grass fire at 3:15 p.m. July 25 at Route 59 and Grass Lake Road was quickly extinguished.

A fire of unknown origin at the A. E. Oddsden home on Beach Grove Road July 21 was extinguished by neighbors before the fire department arrived.

In Moslem countries, the equivalent of our Red Cross is a Red Crescent on a white field. In Iran, it is a Red Lion and Sun on a white field. All the nations of the world recognize these as symbols of neutrality.

Mr. and Mrs. Bruce Anthony Galgan

Lightsey-Galgan Wedding At Our Savior's Church

Karen Rose Lightsey, Antioch, became the bride of Bruce Anthony Galgan, Zion, recently in services at Our Savior's Lutheran Church in Zion. The Rev. Norman J. Barenz officiated at the double ring ceremony. The bride was given in marriage by her father, Daniel H. Lightsey.

The bride is the daughter of Mr. and Mrs. Daniel H. Lightsey, Rt. 2, Box 26, Antioch.

The groom is the son of Mr. and Mrs. L. Michael Galgan, Rt. 1, Box 190, Zion. Mrs. David L. (Julie) Miller, sister of the bride, served as matron of honor. Richard Galgan, twin brother of the groom, served as best man.

Following a honeymoon trip to Denver, Colorado, the young couple will be at home at 4409 Grand Ave., Gurnee.

Legion Auxiliary

By Del Jahneke

Representing the Antioch American Legion Auxiliary at the State Convention of the American Legion Auxiliary, will be Mrs. Ray Rathmann, Unit President, and Mrs. Bernard Stadick. Mrs. Edward Jahneke will be attending some of the sessions of this 46th annual convention, held in the Conrad Hilton Hotel in Chicago, on July 28, 29, 30 and 31, 1966. Mrs. Fred Williford of Chicago, State President, will preside.

One of the highlights of the convention will be the address of the National President, Mrs. Walter H. Glynn of Des Moines, Iowa, on Saturday, July 30.

On the evening of July 28, Past State Presidents will be honored at the Past Presidents' Parley dinner. A special feature of the evening will be the presentation of six Nurse's Scholarships in the amount of \$375 each to qualified high school graduates, who have been accepted for nurse's training. Over the past seven years, 44 such scholarships have been awarded. Also a substantial contribution will be made to help defray the cost of maintaining the Veterans' Craft Exchange, 30 West Washington St., Chicago. This non-profit shop, the only one of its kind in the nation, is sponsored by the Illinois American Legion Auxiliary, and offers an outlet for the handicraft of handicapped veterans and their dependents. Statewide donations from the Past President's Parley groups make these projects possible.

Gold Star members of the Auxiliary are to be honored at a luncheon on Friday, July 29, Friday evening; the Rehabilitation Service Forum will be held in the Ball Room of the Conrad Hilton Hotel at 7:00 p.m., at which time, several hundred American Legion Auxiliary Volunteer Hospital workers from throughout Illinois, will be awarded citations and other honors.

The Saturday session of the convention will include the installation of the newly elected State Officers for 1966-67. On Sunday, thousands of Chicagoans, American Legion and Auxiliary members, will be watching a huge, 3 hour long Legion parade, which will conclude this year's convention.

There will be a 10th District Installation of Officers at the Libertyville American Legion Home, at 8 p.m. Mrs. Herbert Gleason, Libertyville, will be installed as the new 10th District Director; Mrs. William Schultz, North Chicago, the Alternate Director; Mrs. Richard Brady, Gurnee, District Historian; Mrs. Mary Carney, Libertyville, District Secretary; Mrs. Ray Rathmann, Antioch, District Treasurer; Mrs. Albert Dorn, Mundelein, District Chaplain; Mrs. Silver Mae Hayes, Baxter

Linnea Christensen

Engaged

Mr. and Mrs. Charles Christensen of Lindenhurst announce the engagement of their daughter, Linnea, to William Sershon, son of Mr. and Mrs. John Sershon of Antioch.

Both Miss Christensen and Mr. Sershon are graduates of Antioch High School. Bill is a Junior at Olivet College in Michigan, where he is a Music major. Linnea is working as a secretary at Masic Electronics in Grayslake.

Where The Boys Are

Cpl. Charles (Chuck) Miller left Travis Air Base Sunday night, headed for Saigon. Chuck is the son of Mr. and Mrs. Walter Miller, Channel Lake. His mother operates the Fascination Beauty Salon.

Chuck has been home on furlough for some time before leaving for Viet Nam. Like all service men scheduled to return to camp, he had trouble finding transportation to California because of the air lines strike.

GREAT LAKES, Ill.—Seaman Recruit Richard Lusczak, 19, USN, son of Mr. and Mrs. Walter Lusczak of Rte. 4, Antioch, has been graduated from seven weeks of Navy basic training at the Naval Training Center here.

VACATION TRIP

Mr. and Mrs. Robert J. Wilton of Wilton Electric Shop returned home Monday after spending ten days in Washington, D.C., Colonial Virginia and Williamsburg. They traveled through the Civil War battlefields, and the beautiful Virginia horse country to Shenandoah Valley and many other places of historical interest.

Evans, Waukegan, District Sergeant-at-Arms; and the Junior Past Director, Mrs. Lewis Johnson, Zion. Mrs. R. Rathmann will be installed in her office by Mrs. Joseph Horton of Antioch, Past Unit President.

Flower Show At Richmond

The Richmond Garden Club will present a flower show Saturday, August 6 from 2 to 8 p.m. and Sunday, August 7, from noon to 5 p.m. at the Memorial Hall, Rt. 12 Main St., Richmond.

The theme of the show is "Around the World with Flowers."

There will be divisions in horticulture, junior horticulture, education, conservation and artistic arrangements for both adults and juniors.

Anyone interested in entering an exhibit in the open class for adults or juniors must have it placed before 10 a.m. Saturday, Aug. 6.

Mrs. Nello Orsolini is president of the Richmond Garden Club and Mrs. David Heuvelman is general chairman for the event.

Social Notes

By Del Jahneke

Mr. and Mrs. Emil Risch, accompanied by their daughter and granddaughter, Mrs. Arland Clark and Gail Clark, have just returned from a 2,039 mile round trip. They visited the Badlands, the Corn Palace at Mitchell, South Dakota, the Black Hills and viewed the four faces of U. S. Presidents, carved in the mountains of Mt. Rushmore, near Rapid City, South Dakota. All of their trip was very pleasant except for the frightening experience of being caught in a bad hailstorm, with hailstones falling that were as large as golf balls. All four of them came home, safe and sound.

Mrs. Carl Beitzell, of Salem, Wis., but formerly a long-time Antioch resident, has just come home from the Kenosha Memorial Hospital. She had undergone serious surgery there, and had spent a week at home recuperating from her operation. She wishes to thank her many friends for their kindness to her while she was hospitalized. However, she was rushed back to the Kenosha Hospital by ambulance on July 20th.

The Michael Ditzig family of Grass Lake, are just now "at home" after a five day vacation trip to Torch Lake, Michigan. Some of the Harold Scheskie family of Waukegan were also there with them. Mrs. Ditzig is the former Sandra Scheskie.

The Ed Jahnekes spent a few days visiting Mrs. Jahneke's aunts (the Misses Delia and Helen Haase) at Fish Creek, Door County, Wis. While on the Green Bay Peninsula, they traveled through the beautiful Peninsula State Park, saw Gill's Rock, Egg Harbor, and sailboat racing at Ephraim. On the return trip, they paid a short visit on the Walter Simonson family at Sturgeon Bay. The Simonsons just moved to this area, after living for many years in Fox Lake.

Library of Beauty At Antioch Garden Club Flower Show

A highlight of beauty in the summer activities of the Antioch area will be provided by the coming Flower Show to be presented July 29 by the Antioch Garden Club.

The show will start at noon at the Antioch Savings & Loan building. Admission is free.

Entries for the show must be in by 10 a.m. The public is invited to check their gardens for an outstanding flower, fruit or vegetable, and enter it in the show.

The theme of the show is "A Library of Beauty." Flower arrangements will be interpretations of many of the well-known books of our times.

Anyone interested in a schedule of the various categories for flower arrangements may contact Mrs. Lloyd Leable at 395-4208 or Mrs. James Milton at 414-889-4062, co-chairman of the show.

The Antioch Garden Club invites the public to view the floral arrangements, table settings and horticultural specimens displayed at the show.

Mr. and Mrs. Ray Eddy returned home recently after spending the winter in Florida.

Mr. and Mrs. Emmett King as they celebrated their 50th Anniversary.

Belated Party For 50th Year

A belated celebration of the Fiftieth Anniversary of Mr. and Mrs. Emmett King, 400 First St., Antioch, was held at their home recently.

The Kings were married on February 7. On their anniversary date, they were touring the Hawaiian Islands, hence the belated celebration.

They were honored by a serenade in Honolulu on their anniversary date, and a story in the Antioch News brought a flood of more than 80 cards of congratulations from friends around Antioch.

About 30 relatives attended the recent party in their honor. Among those present were the Wilson Kings of Whitewater, Wis., their son, Mrs. Mariellen Lange (their

daughter) of Hebron (her husband's illness prevented him from attending); another daughter, Mr. and Mrs. William Strahan of Antioch; a niece, Mrs. Ambra Fons, Milwaukee; Mrs. King's sister, Mrs. R. C. Bishop, Kenosha, and her husband; and a nephew and his wife, Mr. and Mrs. Malcolm Bishop, Kenosha. Mrs. King's sister, Mrs. Grace Turnock, West Allis, who "stood up" with them at their wedding was present, also Mr. and Mrs. Carl Behrnes and family of Hebron. Mrs. Behrnes is a granddaughter of the Kings.

The Kings were married at Pikeville Corners near Antioch (the intersection of Rte. 45 and State Line Road). They have lived in the Antioch area all their lives.

Class of '56 Plans Reunion

Reservations are still available for the reunion of the Class of 1956 of Antioch High School, according to the chairman of the affair, Jim Fish.

The reunion will be held September 24 at the Angels Restaurant north of Antioch. Reservations may be made until August 15.

LAKESIDE REBEKAH LODGE NO. 82

By Del Jahneke

The Lakeside Rebekah Lodge No. 82 entertained the Brothers of their Lodge, and also the elective officers of the entire District Association No. 3, at their last meeting.

The Lodge members will be holding a District "Friends' Night" at their next meeting on August 3rd, at the Antioch American Legion Home, at 8:00 p.m. They will hold an initiation of new members that evening.

Mrs. Arland Clark, Noble Grand of Lakeside Rebekah Lodge, received the honor of being presented "The Traveling Rebekah Pin," the symbol of the Illinois Rebekahs, by the Noble Grand of the Justin Lodge of Crystal Lake. Mrs. Clark will, in turn, award this distinguished Pin to the Noble Grand of Evanston Lodge sometime in late August.

Complete College Workshop In Math

Two Antioch residents have completed attendance at a Colorado State College workshop in elementary school mathematics. They are Miss Barbara Quimet and Miss Eunice Rawson, both of 1006 Main St.

The workshop stressed content of the subject and methods of introducing it to children.

MOVING TO ARIZONA

Mr. and Mrs. Michael Hauser (Mrs. Hauser is the former Dee Stillson) are moving to Scottsdale, Arizona, August 1. Mrs. Hauser will teach Science in the high school there, while Mr. Hauser will be teaching in the elementary school system. Dee has been teaching at Forest View High School the past year while Mr. Hauser finished his schooling.

Millburn News

By Mrs. Frank Edwards
Elliot 6-5795

Regular services at Millburn Congregational Church Sunday, July 31, at 10 a.m. A group of young people of Millburn will have charge of the Sunday morning service.

The Devotional Study Group will meet Thursday morning, July 28, at 9 a.m. at the home of Mrs. LaMont Ray.

Mr. and Mrs. LeRoy Snowberry of Tomah, Wis., were weekend guests of Mr. and Mrs. Garrett Trout.

Mr. Kenneth Deedon returned home from the hospital Sunday.

Mrs. Frank Hauser is spending a few days at the home of Mr. and Mrs. Elmer Hauser of Waukegan.

Miss Susan Edwards of Libertyville was a caller at the home of her grandmother, Mrs. Frank Edwards on Saturday.

Mrs. Harley Clark, with Mr. and Mrs. Clayton Engh of Gurnee spent Sunday evening at the home of Mr. and Mrs. James Bonner of Kansasville, Wis.

Dawn Deedon returned home Sunday after spending a week at a Seventh Day Adventist Camp at Little Grass Lake, Ill.

Antioch Adventurers Hold Picnic-Meeting

Holly Lang and her mother gave a picnic recently for the members of the Antioch Adventurers and their mothers. The Langs provided swimming and boating for the guests. Afterwards, the girls discussed plans for their Club's booth at the Lake County Fair.

Cast of "Spoon River Anthology"

Heather Hunley, Mavourneen Reardon and Bob Thomley have been awarded dramatic parts in PM&L's August production, "Spoon River Anthology". Director Lloyd Pedersen has announced.

Singing parts will be cast at a later date. Guitarist will be Wendy Jensen.

"Most Happy Fella" Opens July 28

The Broadway hit, "Most Happy Fella", opens July 28 at Mr. L's Carousel Theatre, Grand Ave. Shopping Center, Waukegan. Performances are July 28-31 and August 4-7.

The non-profit theatre will present performances each evening at 8:30 and tickets may be reserved by calling MA 3-3264. Thursday and Sunday performances have special ticket prices for high school students and children. "Damn Yankees" will open August 11 and run 2 weeks. Thursday through Sunday.

Mrs. George Pierce and son and Mrs. David Switzer of Crystal Lake visited their mother, Mrs. H. K. Gaston, Thursday.

Grandparents Again

With the birth of Michele Marie, Marly and Dorothy Golden, 1808 E. Elmwood Dr. and Bob and Henrietta Okon, 1824 E. Hazelwood Dr., became grandparents for the second time within a year. The infant, the second daughter for Bill and Marie Golden, 1809 Hillside, Long Lake, weighed 6 pounds, 8 ounces when she was born Friday, July 22 at 5:53 p.m. at St. Therese Hospital. The Golden's other little girl is Dawn Marie.

Baby Shower

Mrs. Marie Anderson, 1004 E. Hazelwood Dr. was guest of honor at a surprise baby shower last Thursday evening at the Lindenhurst Civic Center. Co-hostesses for the party were Millie Caldwell, Jean Vitek, Blanche Hanf and Dorothy Golden.

Altar and Rosary News

The Salad Bar Luncheon and Card Party, sponsored by the Prince of Peace Altar and Rosary Sodality last Wednesday, was well attended and a success, thanks to the ladies in charge, Jenny Volpentesta and Carol Eastley, and their committee.

Our Vacation

Ed and I are on vacation this week and last. We drove to Chicago one day and visited Lincoln Park Zoo and Conservatory. The new Farm in the City and Children's Zoo is very nice, even for the grownups. Dinner at one of the restaurants down town always completes our day out. Another day we drove to Milwaukee. We went to the new Conservatory, the new Zoo, and the new Museum down town. Chicago's sights looked old-hat after viewing Milwaukee's sights. None of the three aforementioned places are completed yet, but I highly recommend you visit them on your next trip north. A nice steak dinner downtown was just what the doctor ordered.

Birthdays

August has a lot of birthdays. Lu Stanley, Gene Johnson, Pat Parpan, Rich-

ard Jeroh, Tommy White, Judy Sokup, Judy Kleffner, Amy Stebbins, Helen Mindak, Bea Kempinski, Pearl Koekler, Lynne Ingolia, Ricky Myslinski and Donald Dutcher. Belated greetings to Jimmy Mauck.

Anniversaries

Happy anniversary wishes to Frances and Bernard Gargano. Thirty-six years on August 2. Three years for Al and Sue Vickery on August 1. Alvin and Hilda Huntington will be celebrating their 23rd anniversary on the 8th. Marly and Dorothy Golden will also be celebrating their anniversary on Aug. 5. Seven years for Robert and Louise Deu on July 29.

Welcome Families

The following new families were welcomed into St. Mark's family Sunday morning during the coffee hour: Mr. and Mrs. Robert L. Gafford, Cindy Lee, Jeanne Louise and Candy Lynn; Mr. and Mrs. Robert E. Gilden, Adele Marie, Karen Ann and Susan Ida; Mrs. Edward Harper and Donald; Mr. and Mrs. James Olschlager, James Donald, Jr. and Laura Jean; Mrs. Elmer Ray, Karen, George and John; Mr. and Mrs. John Thompson, Sherry, Linda and Gary.

No Meeting

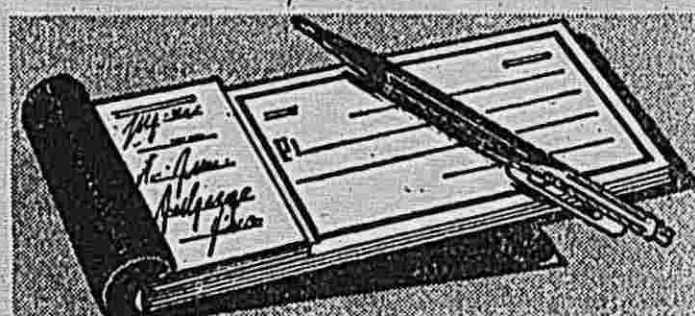

The Altar and Rosary Sodality of Prince of Peace Church will not meet Aug. 3. The next regular meeting will be Sept. 7. The members are asked to make their specialities for a sale at the church on August 7, after all Masses.

Good "road manners" means that you will yield the right-of-way even though you legally have the right to go first at an intersection. Observance of this rule would have saved countless lives in the past and will help you to avoid collisions.

Big-league ball players are in top shape on opening day, but you may not be. The Chicago Heart Association says. Take a tip from the pros, who have had weeks of pre-season practice. Get into condition for active sports gradually.

A kiss for a champion. Douglas Feiler gets a kiss from his girl friend, Ginger Hauth of North Chicago, as he wins his second ski jumping trophy in two weeks.

Doug Brings Home Skiing Trophies

Douglas Feiler of Antioch has brought home two trophies as proof of his skill in water-skiing recently.

Both trophies were won in the Men's Jumping class at tournaments. He took first place in Intermediate Men's Jumping at the Windsor Lake Open at Rockford, then won a trophy for 3rd place at the Badger Open Water Ski meet at Minocqua, Wis.

Doug competed in the slalom event at both events but fell before he completed the course.

In the jumping event, the skiers are judged on distance and form. Doug jumped 92 feet to win his first place trophy; second place jump in that event was 87 feet. The world record is 158 feet.

In the Wisconsin tourney, first place winner jumped 76 feet. Second place was 64 feet and Doug jumped 63 feet. The water was rough that day, Doug said, and it made jumping difficult.

The skiers use a jump ramp, twelve to fourteen feet wide and six feet high for the take-off. An official boat, tows the skiers at a speed of 35 miles an hour as the skier approaches the ramp, and the boat swerves to the left.

The skier releases the tow rope as he approaches the ramp, soars up the incline and makes his jump. He must travel 125 feet after landing on the water, without falling, or his jump is disqualified.

Doug competes in tourneys sponsored by the American Water Skiers Association, of which he is a member. Skiers from Illinois, Indiana, Wisconsin, Minnesota and Ohio competed in the Rockford event.

Doug, the son of Mr. and Mrs. Frank Feiler, 817 Turner Ave., Antioch, has been water-skiing for four years, and competing for two years. He works in the summer and attends college during the school months. Most of his waking hours are spent practicing his favorite sport.

Doug does his practicing at the Sand Bar Resort on Lake Marie, headquarters for the Sand Bar Ski Club. Members of the club can be seen practicing at all hours. As we watched Doug practice jumps, another group of two men and a woman were practicing a pyramid for the trick skiing event. It was their first try at this particular event, and after a few false starts, the girl gained her position, balanced on the shoulders of the two men who formed the base, and they swept across the lake.

Frank, who fills in on the Antioch police force when an extra man is needed, often accompanies his son on practice sessions. "You'd never have to worry about juvenile delinquency if you could get all the kids water-skiing," Frank says. "They're too

Record Crowd Sees Burgan Win Feature

Dennis Burgan faced high on the Waukegan clay oval and edged out Bill Ballard for the feature lead with only four laps remaining in the main event Saturday night. It was also powder puff night again and this time so many girls entered that two events had to be run. Sharon Ester raced to the first win and Barb Becker came from the rear to win her race.

Twenty-three ladies entered the powder puff races Saturday night and the management decided to split the field in half. Sharon Ester, driving Chuck Clarke's No. 60, romped home the winner in the first affair. Sharon Keeling held on for second although Mary Kay Seyl was in hot pursuit. Barb Becker started in the rear and was quickly in the lead in the second event with Linda Evans and Donna Edmonds behind. Action became a little rougher in this event as it was stopped when Barb Brown slammed hard into the first turn wall backward.

With the two powder puffs over, still more action was in store for the fans as a big demo ended the racing program. When it finally came down to the final two cars, Joe Sears eliminated his competitor by promptly flipping Dick Dieter in the fourth turn.

HARRIS WINS
Duane "Whitey" Harris guided his purse snatching A24 Chevy to its fourth consecutive feature win Sunday night at the Waukegan Oval.

Wolf Winner In Wild Race

Mike Wolf of Lake Villa came from 14th starting spot to win the action packed feature at the Waukegan Oval Saturday.

The rough stuff started on the second lap when Roger Hagl, also of Lake Villa, took a hard, fast, double flip trying to take the lead going into the west turn. Hagl was released after a check-up and is OK.

On the restart, things went well until the 12th lap when Dick Aissen spun, sending Allen Gutchie of Kenosha into the outside wall where his car caught fire. Gutchie got out unharmed and the race was restarted and continued to the checker with Mike Wolf finishing first. Harold Gutchie of Kenosha

second. Dick Aissen, Kenosha; third, Jim Steckling, West Allis; fourth, and Chuck Davis, Kenosha; fifth.

Fast qualifier — Ron Justen, McHenry.

Heat winners:
1. Dick Aissen
2. Don Pulera, Kenosha
3. Ray Bush, Silver Lake
4. Gil Rlen, Woodstock.
Semi final 15 laps:
1. Joe Balding, Bassett; 2. Lloyd Schneiderman; 3. Ray Bush.

Too many drivers are heading for tragedy because they drive too fast for prevailing conditions. Speed must be adjusted to road, weather and traffic conditions, particularly during light drizzles and at night.

this month. Jim Cossman took the late model feature lead late in the race and won that event. Honors were well distributed as no driver became a double winner.

The late model feature was a wild affair with cars scattered every which way by the end of that event. Ray Dixon lead for two laps until a steering failure sent him crashing into the fourth turn wall. Jack Ester grabbed the lead with Dan Kalous in hot pursuit... but Kalous was out shortly with a flat tire. Jim Cossman came to the front and passed Ester in the thirteenth lap... just as Ester ran out of gas. Dennis Burgan finished second and Harold Gutchie was third.

Yankees Bomb Sox

Antioch Little League games scheduled for Tuesday and Wednesday, were rescheduled because of tournament team practice and the tournament.

Thursday the Yankees bombed Jeff January and the Sox 10-4, as the Yankees combined 15 hits and 6 Sox errors to take the victory.

Rick Weiss, handling the pitching chores for the Yankees, gave up 4 runs on 6 hits and 3 errors.

Friday the Cubs fell short in their attempt to upset the Tigers, 9-8. The Tigers took an early lead with 2 runs in the first inning and 3 in the third, two of them coming on Jim Revell's homer. The Cubs came back on a 3-run homer by Chip Gross in the bottom of the third.

The Tigers iced the game in the 4th inning with 4 runs.

Bankers Beat JC Boosters

On July 20, the Bankers beat the J. C. Boosters 12-3 behind the pitching of J. Kopriva. He gave up 8 hits while striking out 7. Bentel, who was relieved by Jeff Sterbenz in the third inning, was the losing pitcher. Tom Passey was the batter of the day with 2 doubles for the Bankers. Keith Bolton and Ron Nielsen each collected 2 hits for the J. C.'s.

Play For Top Spot In Softball Tourney

The preliminaries of the First Annual 16" slow pitch softball tournament were held July 23 and 24 at the Knights of Columbus field on Wilson Road near the Milwaukee Railroad station in Ingleside.

Saturday the Milwaukee Road team defeated the Ambro Dukes, 17-12; Mouldy's downed the Fox Lake Moose, 17-2; Casey's tap swamped the Waukegan Knights of Columbus, 18-1; and Bimbo's won over Nando's, 17-10.

Sunday, the Ingleside Knights of Columbus defeated Mers Hotel, 18-5; the Fox Lake Coin Wash scored 12 runs, to 5 for Downey's Lounge; the Club Alibi drove in 23 runs to 7 for Tom's Grocery; and Honan's Sporting Goods took their match with Oswald's Tavern, 13-7.

July 30th, the first game at 6 p.m. will match the Milwaukee Road and Mouldy's Grayslake Bowl. At 7 p.m., Casey's Tap will play Bimbo's; at 8 p.m., the Knights of Columbus will play the Fox Lake Coin Wash and at 9 p.m. the Club Alibi and Honan's Sporting Goods will tangle.

The four winners of these games will play for the playoffs July 31 at 6 p.m. and 7 p.m. and the game which will decide the champion.

Wednesday, July 21, the Advertisers turned down the Merchants 4-1. Comstock was the winning pitcher, helping to win his own game with a 2 run homer. Camp, of the Merchants, lost his first game of the season.

July 22nd, the Advertisers beat the J.C.'s 12-11. The winning pitcher was Bill Revell, who relieved Frank Zeman in the 3rd inning after the J.C.'s collected 10 runs. The Advertisers tied the score in the 6th inning and then came back with 2 more runs in the 7th to beat the J.C.'s who chalked up only one more run. The losing pitcher was Bentel.

On July 25th, the Bankers beat the Advertisers 19-5 after the game was called in the 5th inning due to a 12 run lead ruling. Bill Albano was the winning pitcher and Al Comstock the loser. Don Dill of the Bankers got 4 for 4 times at bat including a triple. Albano of the Bankers and Sterbenz of the J.C.'s also hit triples.

ship will be played at 8 p.m. and 9 p.m.

The softball tournament is sponsored by the Knights of Columbus of Ingleside. Admission is free.

DEATH NOTICES

FERDINAND STENZEL

Ferdinand Stenzel, 84 years old, late of American Aid and Old Peoples' Home of Lake Villa, passed away July 19, at 11:30 p.m. in the Zion Nursing Home, Zion, after a long illness.

Mr. Stenzel was born Feb. 2, 1882 in Germany and had lived in Chicago until moving to Lake Villa 10 years ago. Mr. Stenzel was a carpenter by trade before his retirement. He was preceded in death by his wife, Bertha Stenzel in 1956. There are no known survivors.

Funeral services were held in the Strang Funeral Home, 1055 Main St., Antioch, at 10:00 a.m. Saturday, July 23. The Rev. Harold I. Nelson of St. Mark's Lutheran Church, Lindenhurst, officiated. Interment was in Angola Cemetery, Lake Villa.

BERNARD R. GERBER

Bernard R. Gerber, 87 years old of Lake Zurich passed away at 10:20 a.m. on Sunday at the Maple Hill Nursing Home at Lake Zurich after a long illness. He was born at Honey Creek, Wis. He moved to Burlington, Wis., in 1917, and to Lake Villa in 1938, then had resided at Lake Zurich since 1962. He was a retired farmer by occupation.

He was preceded in death by his wife, Tena, on Oct. 23, 1964, and one son, Sylvester, on Nov. 21, 1946. Survivors are one son, Clifford L. Gerber, Sr., Lake Villa; two daughters, Mrs. Albert (Bernice) Healey, East Troy, Wis., and Mrs. Arlene Letting, Lake Villa; one sister, Mrs. George (Lenora) Grebby, Beloit, Wis., 16 grandchildren and 14 great grandchildren.

Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Bruce Jones of the Lake Villa Methodist Church officiated at the service. Interment was in Angola Cemetery at Lake Villa.

County Fair Now Open

Yesterday (Wednesday) was opening day at the Lake County Fair and 4-H Club Day. Candidates for the title of 1966 Fair Queen were introduced in the evening.

Thursday, Friday, Saturday and Sunday, July 28 through July 31, the Fair gates will open at 9 a.m. The Fair Grounds are located at the intersection of Routes 45 and 120.

The Fair Queen will be crowned at 8 p.m. Thursday, and the Talented Teens variety program will start at 8:15 p.m. The Western and Apaloosa Horse show will start at noon, with a special performance starting at 8 p.m.

Saturday's activities will include a Western Horse Show, a public auction, a parade and special entertainment at 8 p.m.

A tractor-pulling contest will start at 1 p.m. Sunday. Special entertainment, including the Ginny Tui Show, starts at 8 p.m.

Throughout the Fair there will be judging of animals and exhibits, and the Midway will furnish entertainment.

That a study was made by the Illinois Junior College Board in cooperation with the Superintendent of Schools of the County in which territory of the proposed district is located, upon which study the Illinois Junior College Board made a determination on June 10, 1966 approving said Petition. Said Petition was thereafter referred to the Board of Higher Education of the State of Illinois for a determination as to whether or not the proposed Class I junior college district was in conformity with a comprehensive junior college program.

The Illinois Board of Higher Education of the State of Illinois, by an order entered July 12, 1966, approved the request for a new junior college and made a determination that the proposal to organize the territory hereinabove described into a Class I junior college was in accordance with the prayer of the Petition and was in conformity with a comprehensive junior college program.

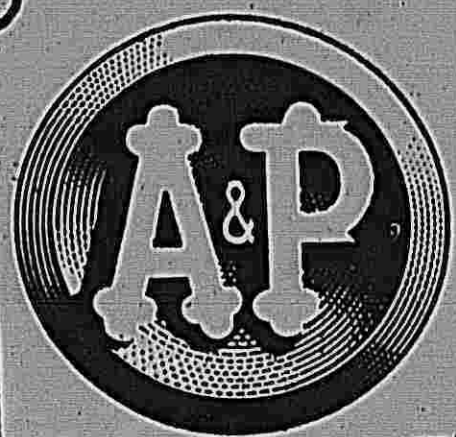

Thereafter, the Illinois Junior College Board prepared a report of such action on said Petition containing a statement of the reasons for said decision, and the basis upon which the State Board deemed it possible for the proposed district to provide a desirable two-year college program at reasonable cost, the conditions under which said operation would be possible, the estimated results of such operation in terms of local taxes, the nature and probable cost of alternative methods of providing adequate junior college educational opportunities for students in the territory involved and other information helpful to the voters in such territory in voting on the proposition to establish a Class I Junior College District. A copy of said report is now on file in the office of the Illinois Junior College Board and a true and correct copy thereof is on file and available for public inspection in the respective office of the County Superintendent of Schools of Lake County, Illinois.

NOTICE IS HEREBY GIVEN that a public hearing on the aforesaid petition and on the said report of the Illinois Junior College Board relating to the proposed Junior College District will be held in the Auditorium of the Libertyville-Fremont High School District No. 120 (otherwise

known as the Mundelein High School), located at 1350 West Hawley Street, in the city of Mundelein, Illinois, on the 17th day of August, 1966, at 7:30 o'clock P.M., and at such hearing the Illinois Junior College Board, or a hearing officer appointed by it, shall proceed to hear the Petition above referred to, shall present the report of the Illinois Junior College Board, above referred to, and determine the sufficiency of the Petition. At the hearing, the said State Board, or the hearing officer appointed by it, shall hear any additional evidence as to the school needs and conditions of the territory and in the area within and adjacent thereto. At the conclusion of the hearing, the hearing officer, if such hearing shall be before a hearing officer, shall report a summary of the testimony to the Illinois Junior College Board, which said Board shall thereupon determine whether it is for the best interests of the schools within the territory above described, and the educational welfare of the students therein, that such proposed Junior College District be organized and at such time said Illinois Junior College Board shall also determine whether the territory above referred to and described in compact and contiguous for college purposes.

Any resident within said territory above described or from any school district affected thereby, may appear in support of said Petition or to object thereto.

By order of the Illinois Junior College Board of the State of Illinois.
Dated at Springfield, Illinois this 15th day of July, 1966.
FRANK E. FOWLE
Chairman Illinois Junior College

what does WESTERN UNION have to do with Jane Parker white bread?

By actual count there are 23 quality checks made on Jane Parker White Bread.

Everything from the ingredients right through the mix and the baking is checked and rechecked.

But do these 23 quality checks satisfy us?

No ma'am! We have a 24th check.

Regularly Western Union representatives select at random and purchase at our stores loaves of Jane Parker White Bread.

They're flown to our quality test lab for that important 24th-check.

You see, in that way, we even keep tabs on ourselves.

Is Jane Parker White Bread a good reason for shopping A&P?

It's one of many.
